

Dine N Dash

The Chats

I wanna go out
And fill my gob
But I don't have a fuckin' job
I can't afford
A proper feed
I just wish
I couldn't eat
But I don't have any cash
So tonight we're gonna do the dine n dash

Dine n dash
Do the dine n dash
Dine n dash
Do the dine n dash
Dine n dash
I'm sick to death
Of eatin' outta the trash
Dine n dash
Do the dine n dash

Any restaurant
Any time
We can commit the perfect crime
You just gotta run
When ya done
Dine n dash
It's only fun
I don't have any cash
So tonight we're gonna do the dine n dash

Dine n dash
Do the dine n dash
Dine n dash
Do the dine n dash
Dine n dash
I'm sick to death
Of eatin' outta the trash
Dine n dash
Do the dine n dash
