

Do What I Want

The Chats

A copper pulled me over
Just the other day
He asked for my licence
Then I said another day

So he tried to detain me
And I had to resist
He said I was under arrest and then
I said this

Don't tell me what to do!
Don't tell me what to do!

So I bashed a seccy
And he didn't do shit
He asked for my ID
Then I said suck my dick

Don't tell me what to do!
Don't tell me what to do!
Don't tell me what to do!
Don't tell me what to do!

Don't tell me what to do!
Don't tell me what to do!
Don't tell me what to do!
Don't tell me what to do!
