

Getting Better

The Chats

We're getting better
Getting better
Getting better
Getting better all the time

Waiting around for the 412 to the city
My heart is in my hand from the top is where I stand
Throughout the times I thought that I was nothing
Breakout from this old way of feeling

Getting better
Getting better
Getting better
Getting better all the time

We're getting better
Getting better
Getting better
Getting better all the time

Getting better
Getting better
Getting better
Getting better all the time, all the time
