Panic Attack

The Chats

My heart's beatin' outta my chest
And it's speedin' up
Can't breathe I'm losin' my breath
My teeth are goin' numb

Walls closin' in
Tremors under my skin
Sittin' back waitin' for the attack to begin

Panic attack-tack-tack-tack-tack
Panic attack-tack-tack-tack-tack
Panic attack-tack-tack-tack-tack
Panic attack-tack-tack-tack-tack

Blown outta proportion
And I can't see straight
Disoriented and nauseous
I don't feel too great

Now I'm losin' control
I feel 2 years old
Sittin' back waitin' for the attack to take hold
