The Chats

Hanging out having a punt
'Cause my rents due at the end of the month
Gettin' hungry, fangin' a feed
Something greasy, with gravy and meat

All I want and all I need
All I crave is a good pub feed
All I want and all I need
All I crave is a good pub feed

Bowl of chips tomato sauce
Can't get enough I'm begging for more
Cause I came here at a quarter to six
And I ain't gonna leave till I get my fix

All I want and all I need
All I crave is a good pub feed
All I want and all I need
All I crave is a good pub feed
