

## The Clap

## The Chats

Last week  
Pulled a root  
In the back  
Of my ute  
I was cautious  
Double-wrapped  
But I still  
Got the clap

I've got the clap  
(He's got the clap!)  
I've got the clap  
(He's got the clap!)

So I went  
To the clinic  
Doctor said  
"Mate, you're fucked!"  
Then he told me  
What I had  
Turns out  
I've got the clap

I've got the clap  
(He's got the clap!)  
I've got the clap  
(He's got the clap!)

I've got the clap  
(He's got the clap!)  
I've got the clap  
(He's got the clap!)

I've got the clap  
(He's got the clap!)
