

## VB Anthem

The Chats

VB you're the one for me  
There's no other beer that I'd rather drink  
40 bucks a slab  
You can't go wrong  
I sink VB  
All night long

20 in the Esky  
Of the very best  
VB I wouldn't touch the rest  
They say you're bitter  
But they're not wrong  
Cause I love you enough  
To write this song

VB you're the one for me  
There's no other beer that I'd rather drink  
40 bucks a slab  
You can't go wrong  
I'll sink VB  
All night long

VB you're my drink of choice  
I'd buy a carto of ya and invite round the boys  
Tinnies, stubbies, tallies  
Whatever you need  
I can't resist  
That red white and green

VB you're the one for me  
There's no other beer that I'd rather drink  
40 bucks a slab  
You can't go wrong  
I sink VB  
All night long

What better to punch with a VB  
Then a winnies pouch, 50 G  
There's no other place  
That I'd rather be  
Than with the boys  
Sinkin' VB

VB you're the one for me  
Theres no other beer that I'd rather drink  
40 bucks a slab  
You can't go wrong  
I sink VB  
All night long

VB, you're the one for me  
VB, I'd sink a carto of green  
VB, we've got plenty more  
VB, you're only 1.4
