

# Crazy On The Dance Floor

The Cheetah Girls

My girls, my girls  
Need to get away  
My girls, my girls

Need to get away  
Gonna start today  
I'm in the mood now  
To dance forever  
Things are changing fast  
Gonna take a chance  
Got to move on  
Let's get together

Right now I'm with my girls  
We're gonna burn up the floor  
Right now I'm with my girls  
(Crank up the music)  
Right now I'm with my girls  
We're gonna burn up the floor  
Right now I'm with my girls  
(Crank up the music)

Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down  
Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down

Now I'm standing strong  
Here's where I belong  
Got to hold on  
Feel it forever, ever

Crowd is having fun  
Night is just begun  
Party's going on  
'Cause we're together

Right now I'm with my girls  
We're gonna burn up the floor  
Right now I'm with my girls  
(Crank up the music)  
Right now I'm with my girls  
We're gonna burn up the floor  
Right now I'm with my girls  
(Crank up the music)

Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down  
Move up and down  
And the people all around  
(Getting crazy on the dance floor)

Move up and down

I'm ready to take this shot  
Won't let nobody stop  
The music building in me  
It's where I have to be  
I have to take it now  
Or I'll never know how  
This story ends for me  
Or it's just a fantasy

Move it up and down, up and down, up and down  
Move it up and down, gonna shake it all around  
Move it up and down, up and down, up and down  
Move it up and down, gonna shake it all around  
Move up and down, move up and down  
Stop  
Move up and down and the people all around  
Move up and down (Crank up the music)

Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down  
Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down

Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down  
Move up and down  
And the people all around  
(Getting crazy on the dance floor)  
Move up and down
