

# I'm The One

The Cheetah Girls

Oh yeah...

Woah...

Mhm...

C'mon...

Nobody can sing like me  
I can hit every note you give for me  
From A to Z  
Yes I can

Nobody can dance like me  
I can move to the beat your playin'  
Baby with my feet  
Yeah yeah...

Nobody can act like me  
I can fall to pieces  
And make you believe  
Almost anything

I'm the one  
Steppin' out and we're breakin'  
All the rules  
All alone (all alone)  
Gonna show everybody what I can do  
I'm the one  
Put your bet on me  
Can't you see that  
I'm the one  
Don't need anybody now  
Makin' it on my own

She can turn every word  
Into a  
Lovely melody  
Yes she can

Girl's got her own groove  
Put the music on and watch her as she  
Does her thing  
She can do anything

My girl is a drama queen  
Any role you give her  
She does perfectly  
Oh, can't you see that

She's the one  
She's steppin' out and she's breakin'  
All the rule  
All alone  
She's gonna show everybody what she can do  
She's the one  
Put your bet on her  
Can't you see that  
She's the one  
She don't need anybody now

And she's makin' it on her own

I wanna be  
The one who everybody knows  
(I'm steppin' out, steppin' out alright)  
I wanna be  
The one who's always front and center  
For the first time in my life

I'm the one  
Steppin' out and I'm breakin'  
All the rules  
All alone (all alone)  
Gonna show everybody what I can do  
I'm the one  
Put your bet on me  
Can't you see that  
I'm the one  
Don't need anybody now  
Makin' it on my own

I'm the one  
Steppin' out and we're ready  
You know the rules  
All alone (all alone)  
Gonna show everybody what I can do  
I'm the one  
Put your bet on me  
Can't you see that  
I'm the one  
Don't need anybody now  
Makin' it on my own

I'm the one
