

Ain't Too Much Of Nothin'

The Chi-Lites

She ain't too much of nothing
We're just enough of everything
She ain't too much of nothing
We're just enough of everything

We go to work in the morning
With a smile on our faces
Kiss each other goodbye
With a tear in our eyes
When we wave to each other
Till we're both out of sight
Hoping the hours of day fly by
Just to kiss again at night
Ain't that love, love, love, love

She ain't too much of nothing
We're just enough of everything
She ain't too much of nothing
We're just enough of everything

Not too sweet, no, no
Not too bitter
Maybe they'll try
But no one will ever get her
She don't need no makeup
She's for real down to the bone
She's made my life worth living
And she made my house a home
Ain't that love, love, love, love

She ain't too much of nothing
We're just enough of everything
She ain't too much of nothing
We're just enough of everything
