

## Love Uprising

The Chi-Lites

Now it's time for a love uprising  
Now it's time for a love uprising

Faith is beginning to mean we don't believe  
And truth is a lie 'cause we always have to have an alibi

If we hang up our hearts in love  
Sit down and try to be loved  
We'll find that it's time for a love uprising  
It's time for a love uprising

Getting tired of walking, getting tired of talking  
Love is not a word, it's a feeling, oh yeah yeah yeah  
The ten commandments have been cast aside  
So the devil gives orders and we write back to reply

If we hang up our hearts in love  
Sit down and try to be loved  
We'll find that it's time for a love uprising  
We'll find that it's time for a love uprising
