

# Now That You're My Baby

The Chiffons

You're never gonna run around (Now that you're my baby)  
Or see that girl who lives uptown, yeah (Now that you're my baby)

I'll be tryin' ev'ry day  
To keep you happy in ev'ry way  
So, you won't ' ever wanna run around  
(Now that) Now that you're my baby (Now that you're my baby)

You'll kiss you playboy days goodbye (Now that you're my baby)  
You're gonna be a different guy, yeah (Now that you're my baby)  
From now on you're gonna be  
Spendin' all your time with me  
So, you can kiss your playboy days goodbye  
(Now that) Now that you're my baby (Now that you're mine)

I can give you all the lovin'  
You've been searchin' for  
I love you, always dreamin' of you  
You ain't gonna run around no more

Baby, I can give to you  
A love that's good and oh, so true  
So, you can throw your little black book away  
(Now that) Now that you're my baby (Now that you're mine)

I can give you all the lovin'  
You've been searchin' for  
I love you, always dreamin' of you  
You ain't gonna run around no more

You'll throw your little black book away (Now that you're my baby)  
You'll be my man startin' today, yeah (Now that you're my baby)  
Baby, I can give to you  
A love that's good and oh, so true  
So, you can throw your little black book away  
(Now that) Now that you're my baby (Now that you're my baby)

You're gonna be a different guy (Now that you're my baby)  
You're gonna kiss those days goodbye (Now that you're my baby)  
Now that you're my baby (Now that you're my baby)  
(Now that you're my baby)
