

The Real Thing

The Chiffons

I've been walkin' around and around
Talkin' about the love I found

But it looks to me like this could be
Real thing
But it looks to me like this could be
Real thing

A change has come over me
But I'll be here patiently
I just can't wait (And wait) 'til tonight
'Cause I know he's gonna hold (gonna hold) me tight

And looks to me like this could be
Real thing
But it looks to me like this could be
Real thing

Lately, I've been actin' strange
In my life there's been a change
I just can't know (How sweet) he was
And I'm so glad (To be) in love

And looks to me like this could be
Real thing
But it looks to me like this could be
Real thing

I've keep walkin' around and around
Talkin' about the love I found
I get such a feelin'
And my head keeps reelin'
I know I could find it
The feelings I don't mind it

But it looks to me like this could be
But it looks to me like this could be
But it looks to me like this could be
Real thing

Every time he call me "Honey"
I start to actin' funny
But when he's home (I feel) so good
And you know he kisses (Just like) he should

And looks to me like this could be
Real thing
But it looks to me like this could be
Real thing

Talkin' 'bout the real thing (Talkin' 'bout the real thing)
Talkin' 'bout the real thing (Talkin' 'bout the real thing)
Yes, baby (Talkin' 'bout the real thing)
Talkin' 'bout the real thing (Talkin' 'bout the real thing)
Talkin' 'bout the real thing (Talkin' 'bout the real thing)
