

# Why Am I so Shy

The Chiffons

How can I make him mine  
How can I let him know  
How can I ever tell him  
That I just love him so

Why, why, why oh why  
Why am I so shy?

(Shy, am I, oh why, oh why am I so shy?)

Why don't I walk right over  
And say just how I feel?  
I'm always dreaming of him  
I wish my dreams were real

Why, why, why oh why  
Why am I so shy?

(Why am I so shy?)

The first time that I saw him  
I didn't even speak a word  
Now this is the second time  
I guess I'll wait for the third

I'm so afraid to tell him  
The words that I rehearsed  
I don't suppose I'll tell him  
Unless he tells me first

Why, why, why oh why  
Why am I so shy?

(Shy, am I, oh why, oh why am I so shy?)

Why am I so shy?  
Why am I so shy?
