

# Wishing

The Chiffons

(Shop, shop, shop  
Shop, shop  
One boy meant for me)

They say love makes the world go 'round  
I've heard that line before  
But I've been searchin' up 'til now  
That no one to adore

So, I start wishing  
Wishing that he'll come my way  
Wishing that maybe someday  
I'll find the one boy meant for me  
(Shop, shop, shop) Whoa, whoa, yeah  
The one boy meant for me

I've gone out with lots of guys  
But haven't had much fun  
So, I'll keep dreaming of a boy  
A very special one

And I'm still wishing  
Wishing that he'll come my way  
Wishing that maybe someday  
I'll find the one boy meant for me  
(Shop, shop, shop) Whoa, whoa, yeah  
The one boy meant for me

(Shop, shop, shop  
Shop, shop  
One boy meant for me)

I know someday he'll come my way  
The boy I'm dreaming of  
'Til then I wait impatiently  
For his precious love

And I'll keep wishing  
Wishing that he'll come my way  
Wishing that maybe someday  
I'll find the one boy meant for me  
(Shop, shop, shop) Whoa, whoa, yeah  
The one boy meant for me

(One boy meant for me) Whoa, whoa, yeah  
(One boy meant for me) Whoa, whoa, yeah
