

Never Never Go

The Chills

..... last one knowing that before saying
1,2,3,4

Never nver go away from me Seems to happen frequently, I live i
n a dread now constantly, So never never go away from me Never
never go Away from me. Never never go, Away from me, Please.

Calling her is something I can do, Knowing that she is hoping t
oo. Trying to guess what they've had in store, Running through
their lives saying one, two, three, four.

Never never go away from me, Seems to happen frequently, I live
in a dread of it constantly, So never never go away from me Ne
ver never go away from me. Never never go, Away from me, Please
.

Never never go. Never never go. Never never go. Never never go.
