

# Pump, Pump, Pump

The Chipmunks

The Chipmunks:  
One two three four  
One two three four

I'm gonna pump, pump, pump it up  
'Til my muscles ache, you get in shape  
I'm gonna pump, pump, pump it up  
Let's me get what I want when I want it, when I want it

Twenty, forty, sixty, eighty pounds  
Press, press, press I'm gonna show them clowns  
I'm gonna prove it to them, I'm gonna prove it to me  
Pumping these muscles is what we all need  
Pumping these muscles is what we need

I'm gonna pump, pump, pump it up  
'Til my muscles ache, you get in shape  
I'm gonna pump, pump, pump it up  
Let's me get what I want when I want it, when I want it

Twenty, forty, sixty, eighty pounds  
Press, press, press I'm gonna show them clowns  
I'm gonna prove it to them, I'm gonna prove it to me  
Pumping these muscles is what we all need
