

Common As Muck

The Chisel

Me vs you, I wish you knew
How much we fucking differ when it comes to a point of view
I'll fucking say what I want and do as I please
But the toffs don't like it rough and that's why they call me

Common as muck?
I'm common as fuck
Common as muck?
I'm common as fuck

Uncultured swine cos I don't know wine
Just give me a pint and I'll be just fine
I hope you fucking judge me on how I talk to you
Cos I wanna piss you off 'cos I can't stand you

Common as muck?
I'm common as fuck
Common as muck?
I'm common as fuck
Common as muck, ok!
