

## Fuck 'Em

The Chisel

I heard you're feeling a way  
No matter what you say  
I've heard it all before  
I'll show you what's in store  
People think that I'm too much  
But that ain't nothing new  
I do what I want to do  
Who's gonna stop me, you?

Fuck 'em...

Life is hard but I know that I can beat it  
People try to slow me down but I won't be defeated  
When I see, what I want, I will fucking take it  
And if it means a lot to you then I will fucking break it

Fuck 'em...
