

## Lying Little Rat (Propaganda)

The Chisel

Tell me, tell me, tell me, tell me  
Tell me, tell me, tell me, tell me

Tell me what to do and what's right to say  
Tell me what you think 'cause you're a friend to me  
Tell me all about my degradation  
Tell me what to think with no explanation  
Who do I love? Who do I hate?  
Tell me what it means to be a good mate  
It's all a load of bollocks, and now I see  
You convince a lot of fuckers, but you won't fool me

Lying little rat, I see your propaganda  
Why ask questions? You've got all the answers  
Get to fuck and take yourself off home  
'Cause I do just fine when thinking on my own

Fact-checking you on one, two, three  
Silly little muppets wanna lecture me  
I can see it's all agenda-driven  
Your story's weak, and it ain't forgiven  
You're getting mad 'cause it's close to the bone  
When you cunts never look too close to home  
You can't see further than this fucking farce  
'Cause you can't take your head out of your arse

Silly little rat, I see your propaganda  
Why ask questions? You've got all the answers  
Turn around and take yourself off home  
'Cause I do just fine when thinking on my own

Tell me, tell me, tell me, tell me  
Tell me, tell me, tell me, tell me  
Tell me, tell me, tell me, tell me  
Tell me

Tell me what to do and what's right to say  
Tell me what you think 'cause you're a friend to me  
Tell me all about my degradation  
Tell me what to do with no explanation  
Who do I love? Who do I hate?  
Tell me what it means to be a good mate  
It's all a load of bollocks 'cause now I see  
You convince a lot of fuckers, but you won't fool me
