

Consider

The Choir

Consider your laughter
Consider my tears

Consider my love
Consider your fear

Consider one small child
Consider your cross
Consider the hope that withers like a flower
Consider my loss
Consider the fire
Consider the night
Consider the truth
Consider the light, my love
Consider your heart

Consider your heart
Consider your heart

Consider my love, my love
Consider the darkness
Consider my love, my love
Consider the flame
Consider my love, my love
Consider the ghost of the living savior
Remember my love
Remember my name

Consider your heart
Remember my name

Consider your heart
Remember my name

Consider your heart
