

# **Sad Face**

**The Choir**

There's a crystal in the window  
Throwing rainbows around  
There's a girl by the mirror  
And her feet won't touch the ground  
'Cause she never saw the sky so bright  
Isn't that like a cloud to come by night?  
Nevermind the sky  
There's a tear in her eye

A sad face is good for the heart  
Go on cry, does it seem be a cruel world?  
A sad face is good for the heart of a girl  
A sad face

There's a woman in my kitchen  
With a rainbow on her cheek  
Well isn't that a promise?  
Still I never felt so weak  
There's a tiny spirit in a world above  
Cradled so sweetly in our Father's love  
So you don't have to cry  
No there's something in my eye

A sad face is good for the heart  
Maybe just now, I don't understand  
A sad face is good for the heart of a man  
A sad face is good for the heart  
It's alright, you don't have to smile  
A sad face is good for the heart of a child  
A sad face  
A sad face  
A sad face
