

Spring

The Choir

Hey, everybody out
Let's play outside
Ooh, that dreaded ear-buzzing
Yeah, it's poison time
We never saw the world more green
Nor the sky so clear
Spring is finally here

Love is alive in you
Love is alive in you
Believe in your own reflection
See it in my eyes
Love is alive in you
Don't say it isn't true
Believe in the resurrection
See it in my eyes

Follow any line
On your face
Oh, identify the pain
Yeah, now feel it fading
I think I know you better now
Than a season ago
Well enough to know

Love is alive in you
Love is alive in you
Believe in your own reflection
See it in my eyes
Love is alive in you
Don't say it isn't true
Believe in the resurrection
See it in my eyes

I know you so much better now
Than I did at the start
Find it in your heart

Love is alive in you
Love is alive in you
Believe in your own reflection
See it in my eyes
Love is alive in you
Don't say it isn't true
Believe in the resurrection
See it in my eyes
