

Drifting and Dreaming

The Chordettes

Drifting & dreaming, sweet paradise.

Drifting and dreaming while shadows fall,
Softly at twilight I heer you call.
Love's own sweet story, told with your eyes,
Drifting & dreaming, sweet paradise.

Drifting and dreaming while shadows fall,
Softly at twilight I heer you call.
Love's own sweet story, told with your eyes,
Drifting & dreaming, sweet paradise,
Drifting & dreaming, sweet paradise.
