

# When Day Is Done

The Chordettes

When day's done  
And shadows fall  
I dream of you  
When day's done  
I think of all the joys  
We knew

That yearning, returning  
To hold you in my arms  
Won't go love  
I know love  
Without you, night has lost its charms

When day's done  
And grass is wet  
With twilight's dew  
My lonely heart  
Is sinking with the sun  
The sun

Although I miss your tender kiss  
The whole day through  
I miss you most of all  
When day is done  
I miss you most of all  
When day is done
