

## Cut In Two

### The Church

Downtown

When you're alone and life is making you lonely  
You can always go downtown  
When you've got worries, all the noise and the hurry  
Seems to help, I know, downtown

Just listen to the music of the traffic in the city  
Linger on the sidewalk where the neon signs are pretty  
How can you lose? The lights are much brighter there  
You can forget all your troubles, forget all your cares

So go downtown, things'll be great when you're  
Downtown, no finer place, for sure  
Downtown, every thing's waiting for you, downtown

Don't hang around and let your problems surround you  
There are movie shows, downtown  
Maybe you know some little places to go  
To where they never close, downtown

Just listen to the rhythm of a gentle bossa nova  
You'll be dancing with him too before the night is over  
Happy again, the lights are much brighter there  
You can forget all your troubles, forget all your cares

So go downtown, where all the lights are bright  
Downtown, waiting for you tonight  
Downtown, you're gonna be all right now

Downtown, how can you lose?  
Downtown, how can you lose?  
Downtown, downtown, downtown

Downtown, downtown, downtown

And you may find somebody kind to help and understand you  
Someone who is just like you and needs a gentle hand  
To guide them along, so maybe I'll see you there  
We can forget all our troubles, forget all our cares

So go downtown, things'll be great when you're  
Downtown, don't wait a minute more  
Downtown, every thing's waiting for you
