

Marine Drive

The Church

No need for turquoise tortoise
No heed the board is toward us
No need for idle mortis
Can't I'm gonna short us
Down on Marine Drive
You can aspire

Line 'em up and shine 'em up and sign 'em up (if you find a for
tune key)
Well I don't care
Burn 'em up and learn 'em up and turn 'em up (won't you find a
sweeter key)
I don't mind
Cash 'em up and bash 'em up and lash 'em up (if you find a swee
ter key)
Well I don't care

Sweet weed for mask and snorkel
No bubble when you chuckle
Down on Marine Drive
You can aspire

Line 'em up and shine 'em up and sign 'em up (if you find a for
tune key)
Well I don't care
Burn 'em up and learn 'em up and turn 'em up (oh won't you find
a sweeter key)
I don't mind
Cash 'em up and bash 'em up and lash 'em up (if you find a swee
ter key)
Well I don't care
Stick 'em up and lick 'em up and hit 'em up (won't you find a s
weeter key)
Well I don't mind (I don't mind, I don't mind)
