## The Cinema

I think you got the right girl  
Now you're words are so unclever  
It must be how you say it  
Cause I wanna make 'em all believe, believe it  
They'll have to see this

Rob you like a banker  
I think I'm leaving with a new her  
And some of your liquor  
We'll be out for days now  
Just counting money in the new house  
We're packed for our flight out

Rob you like a banker (ride you like a banker)  
Rob you like a banker  
Rob you like a

So now you got the record  
I've never seen a darling beg her  
We'll make sure our friend are way off  
Strap on those shoes and your brand new white watch  
We'll take it hostile

Rob you like a banker  
I think I'm leaving with a new her  
And some of your liquor  
We'll be out for days now  
Just counting money in the new house  
We're packed for our flight out

Rob you banker (rob, rob you a banker)  
Rob you like banker  
Rob you like

I got a mess on my hands from the process  
We leave tomorrow cause I needed to solve this  
We got all of the world at our fingers  
You got a pretty little face in features  
So we'll call every place we go home

Rob you like a banker  
I think I'm leaving with a new her  
And some of your liquor  
We'll be out for days now  
Just counting money in the new house  
We're packed for our flight out

Rob you like a banker  
I think I'm leaving with a new her  
And some of your liquor  
We'll be out for days now  
Just counting money in the new house  
We're packed for our flight out

Rob you like a banker (rob you like a banker)  
Rob you like a banker (rob you like a banker)
