## The Cinema

Cr-cr-craazzyy  
Woaah  
Cr-cr-craazzyy  
Woaah  
So, I've got my wings and I was  
Just tryin to float away from  
Wherever we used to go  
You got me so  
You're tryin to capture it  
But I know I never forget  
Cause now you got me alone  
I was sold  
But I can't hide it anymore

All I see  
Is another crazy  
All I need  
Is someone who's tryin to save me  
Cr-cr-crazzy  
Cr-cr-craazy  
But I don't want it baby

I won't tell if you don't ask  
Just watchin the waves as they crash  
I never thought I would go  
But now I know  
Wouldn't trade it for the world  
For the king's golden pearls  
Now that you got me alone  
Yeah, I'm sold  
I won't fight it anymore

All I see  
Is another crazy  
All I need  
Is someone who's tryin to save me  
Cr-cr-crazzy  
Cr-cr-craazy  
But I don't want it baby  
Cr-cr-crazzy  
Cr-cr-craazy  
But I don't want it baby

So wave my head in the sky  
That crazy look in your eye  
I'm just sayin, you got me, you got me, you got me  
Got me a little bit scared  
Tellin me to beware  
But I forget as she's taken on my soul  
Yes be with it

All I see  
Is another crazy  
All I need  
Is someone who's tryin to save me  
All I see  
Is another crazy

All I need  
Is someone who's tryin to save me  
Cr-cr-crazzy  
Cr-cr-craazy  
But I don't want it baby  
Cr-cr-crazzy  
Cr-cr-craazy  
But I don't want it baby  
Cr-cr-crazzy  
Cr-cr-craazy  
But I don't want it baby
