Maybe Someday

The Cinematics

Please could you hold this I can't take it anymore I'm bruised and broken Rest my head against the floor

Well, I'm fed up with this train of events Wondering what to do next Yeah, I'm fed up with this train of events Nothing is making sense No blood, sweat or tears

You go your way
I'll go my way
But someday
We may meet
You go your way
I'll go my way
But someday
We may meet

Maybe someday

The TV throws its light across the bedroom floor We're locked in silence
I can't take this anymore
'Cos I'm fed up with this train of events
Wondering what I'll do next
Yeah, I'm fed up with this train of events
Nothing is making sense
Well, I know I'll lose, I lose every time

You go your way
I'll go my way
And someday
We may meet
You go your way
I'll go my way
And someday
We may meet

Oh, maybe someday Oh, maybe someday

You go your way And I'll go my way Someday We may meet

You go your way I'll go my way And someday We may meet

You go your way I'll go my way Someday We may meet

```
You go your way, I'll go my way
```

Oh, maybe someday Oh, maybe someday
