

# Glory

The City Harmonic

Image of the unseen Father  
The beginning and the end  
All is from Him, to Him, through Him  
All together, held within  
Christ the Glorious One  
Christ the Father's Son  
Christ the Glory of God  
Like the thunder roaring:  
Singin' like we're made to sing  
Giving Glory glory: to God be the glory  
Like a crash of lightning  
Shine a light for all to see  
Singin' glory, glory  
To God be the glory  
He's the head of We, the Body  
In Him God was pleased to dwell  
Death can't hold Him: He is risen  
All things to Him reconciled  
Like the thunder roaring  
Singin' like we're made to sing  
Giving Glory glory: to God be the glory  
Like a crash of lightning  
Shine a light for all to see  
Singin' glory, glory  
To God be the glory  
Christ the Risen One  
Christ the Kingdom come  
Christ the Glory of God  
Like the thunder roaring:  
Singin' like we're made to sing  
Giving Glory glory: to God be the glory  
Like a crash of lightning  
Shine a light for all to see  
Singin' glory, glory  
To God be the glory  
Glory be to God: Christ the Father's Son  
Glory be to God: Christ the Kingdom come  
Glory be to God!
