

If You Can't Take It, You Sure Can't Make It

The Clark Sisters

If you can't take it, you sure can't make it
If you can't take it, you sure can't make it
In order to reign with him, you have to suffer with him
In order to reign with him, you have to suffer with him
If you can't take it, you sure can't make it
If you can't take it, you sure can't make it

This is a suffering way
It's just like a-running a race
Don't you know I have to keep up with the pace
To see his faith, oh Lord

If you can't take it, you sure can't make it
If you can't take it, you sure can't make it

I wanna make it, I wanna make it
I wanna make it, I wanna make it
I'm gonna take it, I'm gonna take it
I'm gonna take it, I'm gonna take it
I wanna make it, I wanna make it
I wanna make it, I wanna make it
I'm gonna take it, I'm gonna take it
I'm gonna take it, I'm gonna take it

I wanna make it
I'm gonna take it
I wanna make it
I'm gonna take it
I wanna make it
I'm gonna take it
So that I can his face
His face, his face, his face
