

Miracle

The Clark Sisters

Looking for a miracle
Expect the impossible
Feel the intangible
See the invisible
I'm looking for a miracle
Expect the impossible
Feel the intangible
See the invisible, mhm, oh, know that the sky

The sky is the limit to what I can have (oh, the sky)
The sky is the limit to what I can have (I can have everything I want 'cause
the sky)
The sky is the limit to what I can have (what I can have)
What I can have
I believe and receive it (he will)
God will perform today (hey) hey (hey, yes he will)
I believe (I believe)
He will (he will)
Today (Dorinda, what you looking for?)

I'm looking for a miracle (I'm looking for a miracle to happen to me)
I expect the impossible (expecting something good to come)
I feel the intangible (I may not be able to touch it)
I see the invisible (you see that's what hope is)
I'm looking for a miracle (I'm looking for a miracle to happen to me)
I expect the impossible (expecting something good to come)
Feel the intangible (I may not be able to touch it)
And I see the invisible (you see that's what hope is)
Yes it is, and I know that the sky

The sky is the limit (is the limit)
To what I can have (I can have everything that I want oh, oh, oh the sky)
The sky is the limit (hey)
To what I can have (my father is rich in houses and land, oh the sky)
The sky is the limit (is the limit)
To what I can have (to what I can have)
I can have (I can have)
Just believe and receive it (and I can only)
God will perform today (he will, just believe it, just-
just believe it, just believe it, just believe it)
I believe (I believe)
He will (and I receive)
Today (sis, I know you got something to say)

You know what Dorinda?
I expect a miracle
I expect a miracle
I-I expect a miracle
Oh, I expect a miracle
I said I expect a miracle
I expect a miracle
I expect a miracle
Yes, said I expect a miracle haha
I expect a miracle (I'm looking for a miracle to happen to me)
Y'all thought I was finished?
But I still expect a miracle (I'm looking for a miracle to happen to me)
I expect a miracle

In my heart there's a miracle
Just believe and receive it
God will perform it today, ay, ay
(Just believe he will today)
(Just believe he will today)
