The Clark Sisters

I didn't think that I could make it through the fire
I'm nothing without you Lord, your love, it takes me higher, higher
When my world starts spinning out of control
I can let go of the wheel, 'cause your the driver, driver

(Lord I need) more (oh Lord)
Lord I need more (oh Lord, I need more yeah)
Everyday I need and more
You're everything I need and more
Lord I need more (gotta have it)
Lord I need more (yeah)
Everyday I need and more (everyday I need more)
You're everything I need and more
Lord I need more

I know life sometimes can lead you weak and tired
There's nothing to fear 'cause God knows all your heart's desires, desires
When the world, the world keeps trying to break you down
No don't you sit in shame, call on his name (and rise up, and rise up)
(I need to feel more)

Lord I need more (hey)
Lord I need more (hey)
Everyday I need and more (everyday I need you)
You're everything I need and more (yeah)
Lord I need more
Lord I need more (oh yeah)
Everyday I need and more (everyday, everyday)
You're everything I need and more
Lord I need more
