

# My Cup Runneth Over

The Clark Sisters

I'm so full I would explain if could  
They have passed so white so much

(Just that my cup runneth over)  
Just that my cup runneth over

He's so high just as the sky  
I found just what I need

(When I was heal in the holyghost)  
When I was filled with the holyghost

The cup it overflows (it overflows) [x25]
