

Overdose Of The Holy Ghost

The Clark Sisters

My mind goes back when I was a little boy I was bare at the altar at my grandmothers church then something hit and it shock me from my head to my toe a storm til ran down my spine I was knocked to the floor

(An overdoese of the holy ghost, an overdose [2x])

Starts from ankle bone to my knee bone (just like fire shut up in my bone) to my hip bone it moved on up my spine and electrified my neck bone I didn't know where to cry loud shout or to run and I opened up my mouth I began to speak in tongues

(An overdoes of the holy ghost, an overdose [2x])

(Just like fire shut up in my bone)

(In the book of acts) with an two edge sword
(Where it all begin) on one accord
(A sound came down) like a mighty roar
(It was a rushing mighty wind)
(It filled the house) with the Holy Ghost
(And they and then) with an overdose
(From the crow) to the animals
They were all filled and all begin the speak

(Just like fire shut in my bone just like fire shut up in my bone)

[Chorus]

(Just like fire shut in my bone)

[Chorus]

(Just like fire shut up in my bone [tenors:] shut up in my bone)

[Chorus]
