

## Prepare Yourself

The Clark Sisters

Jesus is warning us and telling us  
That the time won't be long  
Jesus is heeding us and reminding us (and he's telling us)  
That we have another home

You can tell by the sun the time  
You won't know Summer from the Winter time  
Make use of the time while it's left (prepare yourself)  
Prepare yourself, try to meet God (try to meet God)  
Can't you see (sing momma)  
Can't you see the sign of the judgment in the end, oh (sing momma)  
Can't you see  
Can't you see destruction is everywhere, no, youngin' (sing momma)

People (people), people better get yourself ready (yes)  
For God is a-coming, soon to come  
Prepare yourself (prepare yourself), prepare yourself  
Try to meet, try to meet God (try to meet God)  
Everybody wooh, prepare yourself (prepare yourself)  
Oh, prepare yourself (try to meet God)  
Try to meet God, no, oh everybody  
Prepare yourself (prepare yourself)  
You better prepare yourself (try to meet God)  
Try to meet God (prepare yourself)  
Yeah, yeah, oh Lord, he's soon to come  
Prepare yourself (prepare yourself)  
Oh, prepare yourself, try to meet God (try to meet God)
