

Sanctify Me Lord

The Clark Sisters

I need Jesus to help me along the way
I need someone to keep me each and every day

Oh, oh, I need someone
Someone to keep me (to keep me)
Keep me (to keep me)
Keep me (keep me walking in the narrow way)
[?] on me all day
[?] and we all day
My whole spirit is so (my whole spirit is so)
My whole spirit is so like thee
[?]

Sanctify me Lord (oh I wanna go to heaven)
Sanctify my body (be up with my brethren)
Sanctify my life (with you walking by my side)
Sanctify my highs (see your love in my body)
Sanctify my knees (I can kneel down to pray now)
Sanctify my knees (shackles turning over)
