

## Simply Yes

The Clark Sisters

Could there still be a chance left for me  
To have all the things my soul needs  
Is this the day my heart longs for always  
It might start to cry but allow for me to say  
I have searched all my days just to find (searched many days and  
nights to find)  
Helps to know you were there all the time  
My circumstance allowed a second chance  
For me to find love or was it that love found me

Now what my heart longs to hear (simply yes)  
Simply yes  
Like music to my ears (just say yes)  
Just say yes  
Yes you have come to mend what's undone  
Yes, simply yes  
Now what my heart longs to hear (simply yes)  
Simply yes  
Like music to my ears (just say yes)  
Just say yes  
Yes is the key to set my soul free  
Yes, yes

Yes (ooh)  
Yes (ooh)  
Yes (ooh)  
Oh my soul says (yes) yes  
(Yes) yes  
Yes is the key to set my soul free

What my heart longs to hear (simply yes)  
Simply yes  
Like music to my ears (just say yes)  
Just say yes  
Yes you have come to mend what's undone  
Yes, simply yes  
What my heart longs to hear (simply yes)  
Simply yes  
Like music to my ears (just say yes)  
Just say yes  
Yes is the key to set my mind free  
Yes, simply yes  
What my heart longs to hear (simply yes)  
Simply yes  
Like music to my ears (ooh)
