

You Shall Receive

The Clark Sisters

Open the windows of heaven
Pour out a blessing
Ask what you need (You shall receive)
You shall receive (Ooh)
Open the windows of heaven
Pour out a blessing
Ask what you need (You shall receive)
You shall receive

More than just your house or bank account
Everything you need in him can be found
Don't doubt him
He will provide
Exceedingly
Abundantly
Above it all
You can have all, anything you want
Open your heart and receive it
Your future destiny needs it
(Make your petition now)
(And don't leave one out)

(He wants to)
Open the windows of heaven (Pour out a blessing)
Pour out a blessing
Ask what you need (You shall)
You shall receive (He wants to)
Open the windows of heaven (Pour out)
Pour out a blessing
Ask what you need (You shall)
You shall receive

Say it
Name it and claim it
You must believe
You shall receive
Say it (Say it)
Name it and claim it (Name it and claim it)
You must believe (It shall come to past)
You shall receive (Oh, open up your heart, open up your mouth and say)
(Say) Say it
Name it and claim it (Cause he's able, yes he is)
You must believe
You shall receive (What ever you need, what ever you want, what ever you need
God's got it y'all)
Say it (Yeah)
Name it and claim it (You must believe)
You must believe
You shall receive

(If it's love that you need) You shall receive
(It's joy that you need) You shall receive
(Oh peace that you need) You shall receive
Ask what you need
You shall receive
Ask what you need
You shall receive
