

I Want You Bad

The Clarks

Lately, It's been driving me mad
'Cause you're the best thing, that I've ever had
And I want you Oh, I want you bad

Come on, let's give it a whirl
'Cause we can shake up, the whole wide world
And I want you Oh, I want you girl

I won't run out of things to do
I've got no other plans, but you

Never, never be sad
I wanna make you, feel so bad
And I want you Oh, I want you bad

I won't run out of things to do
I've got no other plans, but you

Thinking I'm gonna lose my head
And oh the phone line, is taking too much bad
And I want you Oh, I want you bad

Lightly, It's been driving me mad
'Cause you're the best thing, that I've ever had
And I want you Oh, I want you bad
But I want you Oh, I want you bad
