Hey, hey!
Ooh!
The kingdom is ransacked
the jewels all taken back
and the chopper descends
they're hidden in the back
with a message on a half-baked tape
with the spool going round
saying I'm back here in this place
and I could cry
and there's smoke you could click on

What are we gonna do now?
Taking off his turban, they said, is this man a Jew?
'Cause they're working for the clampdown
They put up a poster saying we earn more than you!
When we're working for the clampdown
We will teach our twisted speech
To the young believers
We will train our blue-eyed men
To be young believers

The judge said five to ten, but I say double that again I'm not working for the clampdown

No man born with a living soul

Can be working for the clampdown

Kick over the wall 'cause government's to fall

How can you refuse it?

Let fury have the hour, anger can be power

D'you know that you can use it?

The voices in your head are calling
Stop wasting your time, there's nothing coming
Only a fool would think someone could save you
The men at the factory are old and cunning
You don't owe nothing, so boy get running
It's the best years of your life they want to steal

You grow up and you calm down
You're working for the clampdown
You start wearing the blue and brown
You're working for the clampdown
So you got someone to boss around
It makes you feel big now
You drift until you brutalize
You made your first kill now

In these days of evil presidentes
Working for the clampdown
But lately one or two has fully paid their due
For working for the clampdown
Ha! Gitalong! Gitalong!
Working for the clampdown
Ha! Gitalong! Gitalong!
Working for the clampdown

```
Working hard in Petersburg
Working for the clampdown
Working for the clampdown
Ha! Gitalong! Gitalong
Begging to be melted down
Gitalong, gitalong
(Work)
(Work)
(Work) And I've given away no secrets - ha!
(Work)
(Work)
(More work)
(More work)
(Work)
(Work)
(Work)
(Work)
Who's barmy now?
```
