Clash City Rockers

The Clash

An' I wanna move the town to the clash city rockers
You need a little jump of electrical shockers
You better leave town if you only wanna knock us
Nothing stands the pressure of the clash city rockers

You see the rate they come down the escalator
Now listen to the tube train accelerator
Then you realise that you got to have a purpose
Or this place is gonna knock you out sooner or later

So don't complain about your useless employment
Jack it in forever tonight
Or shut your mouth and pretend you enjoy it
Think of all the money you've got

An' I wanna liquefy everybody gone dry
Or plug into the aerials that poke up in the sky
Or burn down the suburbs with the half-closed eyes
You won't succeed unless you try

You owe me a move say the bells of St. Groove
Come on and show me say the bells of Old Bowie
When I am fitter say the bells of Gary Glitter
No one but you and I say the bells of Prince Far-I
No one but you and I say the bells of Prince Far-I

An' I wanna move the town to the clash city rockers
You need a little jump of electrical shockers
You better leave town if you only wanna knock us
Nothing stands the pressure of the clash city rockers
Rock rock Clash city rockers
