## The Clash

This is Radio Clash  
Stealing all transmissions  
Beaming from the mountaintop  
Using aural ammunition

With extreme prejudice  
On a terminator mission  
This is Radio Clash  
Consider your position

Step it up, get down low

Breaking news flash  
Assassination  
The whole country has been shot

Evil will abate  
In Revelation  
In the Ministry of Whitewash

Wait, wait  
Don't switch off the death  
Yes, we have the latest score  
Rebel Islanders: 101 and Home Yard: 44

This is Radio Clash  
And we count your thoughts  
When lightning splits the sky in half  
Sharper than a sword

And in the thundercloud  
You see another cloud  
Bones as big as sticks  
Even angels were in hell on the morning of the sixth

Like buckets of venom in (????)  
They've got a master plan  
Human wars over there  
And we'll come and knock 'em down

And he reaches the other side first  
Gets a job in the dirty old town  
And he reaches the other side first  
Gets a job in the dirty old town

This is not free  
This is not free Europe  
No, no, no, no, no  
Nor an armed force network

This is Radio Clash  
Stealing all transmission  
Beaming from the mountaintop  
Aural ammunition

A riggy diggy dig dang dang

This is Radio Clash  
Stealing information  
By his will as a (???)  
Use careful confirmation

Bribery, extortion  
Legal legislation  
Security is life indeed  
Accept no other explanation

This is Radio Clash  
On pirate satellite  
Orbiting your living room  
Everybody hold on tight
