

Eternal Glory

The Claymore

Find a way to understand
Illusion is so grey
Progress in the name of god
Cynical innocence
History is drowned in blood
Corruption by the church
Immortal thoughts in golden books
Traditional slavery

Pray for a change in your life
Never surrender
Bridge to an unbroken will
Hope for tomorrow

Time for glory-fight for life
Independence is your right
Time for glory-time to fight
Hold your candle in the night

Blinded by the faith in god
Betrayed by candlelight
Praying in the shadowlands
And the curtain's falling down

Pray for a change in your life
Pray for a change
Pray for a change in your life
Pray for a change

Pray for a change in your life
Never surrender
Bridge to an unbroken will
Hope for tomorrow

Time for glory - fight for life
Independence is your right
Time for glory-time to fight
Hold your candle in the night
Crowning Glory-Crowning Glory
