

## Oblivion

## The Claymore

There's a light upon my crying mind  
This darkened shine is guiding me  
In my heart there is no place for love  
Hear me screaming in the falling rain tonight

I am cursed to die

Shine  
Hold on the light  
We're cursed with oblivion  
I see the glance into your heart  
Remember me

In the darkness of a lonely night  
I am trapped inside my cruelty  
But I hope there is a chance for me  
To live all my dreams  
And to change the world for you

I am here to stay

Shine  
Hold on the light  
We're cursed with oblivion  
I see the glance into your heart  
Remember me
