

Tolerance Denied

The Claymore

Send a message to the ignorant at heart
Send aggression - I will tear your soul apart
Hear my warning - watch the shadow by your side
Feel my vengeance - hear the preacher in the night

Listen to my litany of hate
Listen to my voice deep in the silence of your heart
Listen to my litany of hate
Tolerance denied

Born of anger - left a legacy of pain
Trapped in evil - many victims killed in vain
Lost in silence - your opinion is a lie
Endless terror - for your ignorance you die

Listen to my litany of hate...

Show no mercy for the merciless at heart
I will take you to the border of your mind

Listen to my litany of hate...
