

Closer

The Clientele

Closer now
Closer now it's done
It's all begun

Dr. Martin's left
He's gone away
You'll be okay

Here, as we walk down the shore
Who, who could ask for anything more?

Hideaway
Hiding from the guns
It's all begun
Hazy's left
And Siobhan's on her way
You'll be okay

Here, as we walk down the street
Something's gonna knock me off my feet
Here, you know we'll find
Some peace of mind

Here, as we walk down the shore
Who, who could ask for anything more?
Here, you know we'll find
Something to blow our minds

Things that get you never away
Things that help you get through the day
La, la, la, la, la, la, la, la, la
All the things never far away

I've been searching, so where have you gone?
I've gone 'round to Damon's, gonna play him the song
Morning sessions, along the way
And midnight madness, it's gonna make you pay

And out of the past
Out of the way
It's Lavender Way I'm calling
All through the night
Thinking I just might
Thinking I'll make a little call now

Here in my time
Bottles of wine
Scattered 'round the rooms I'm staying
Out of the past
It's out of the way
I'm going back to Lavender Way now (Lavender Way now)
I said Lavender Way now (Lavender Way now)
Lavender Way now (Lavender Way now)
