

# Hey Sexy

The Coasters

Hey sexy, where you get that crazy lookin' sweater?  
Sexy, I never saw a sweater lookin' better  
Sexy, when you tumble of the shelf  
With your sexy way of walkin', you got me talkin' to myself

Hey sexy, I'm watchin' you and runnin' up a fever  
Sexy, I'm pantin' like a curly-haired retriever  
Sexy, you've got me all tied up in knots  
With your sexy way of shakin', you've got me breakin' out in spots

I swear I never saw  
So much potatoes and meat, hmmm  
They're ought to be a law  
Against you walkin' down the street, hmmm

Hey sexy, I never saw such feminine perfection  
Sexy, there ain't a thing on you that needs correction  
Sexy, your rhythm section sure do swing  
Little girl you're really cookin', you're real good lookin', sexy thing

I swear I never saw  
So much potatoes and meat, hmmm  
They're ought to be a law  
Against you walkin' down the street, hmmm

Hey sexy, I never saw such feminine perfection  
Sexy, there ain't a thing on you that needs correction  
Sexy, your rhythm section sure do swing  
Little girl you're really cookin', you're real good lookin', sexy thing
