

# Stewball

The Coasters

Come on Stewball, run  
Come on Stewball, run  
Come on Stewball, run  
Come on Stewball, run

I took two dollars to the racehorse track  
Uh huh, run, uh huh, run  
Said I'm a-gonna get fifty back  
Yeah, yeah, yeah  
Well, I watched them horses get in line  
Uh huh, run, uh huh, run  
A horse named Stewball sure looked fine  
Yeah, yeah, yeah

Well, the odds were ninety-one to three  
Uh huh, run, uh huh, run  
And then Stewball smiled and he winked at me  
Run, run, come on run  
Run, run, giddy up run

Said I bet on Stewball cause he might win, win, win  
I bet on Stewball cause he might win  
Said I bet on Stewball cause he might win, win, win  
(I need the money)  
I bet on Stewball cause he might win

I see the horses took off lightning fast  
Uh huh, run, uh huh, run  
Old Stewball he was running last  
Yeah, yeah, yeah  
Well, I got down on my knees to pray  
Uh huh, run, uh huh, run  
Please make Stewball win today  
Yeah, yeah, yeah

It began to thunder, it started to pour  
Uh huh, run, uh huh, run  
That horse took off like man o' war  
Run, run, come on run  
Run, run, giddy up run

Said I bet on Stewball cause he might win, win, win  
I bet on Stewball cause he might win

The rain just kept on a-pouring down  
Uh huh, run, uh huh, run  
And them horses done slipping wilding around  
Yeah, yeah, yeah  
Well, somebody slapped me on the back  
Uh huh, run, uh huh, run  
Say Stewball left a muddy track  
Yeah, yeah, yeah

I got so nervous I tore my clothes  
Uh huh, run, uh huh, run  
Old Stewball's leading by a nose  
Run, run, come on run

Run, run, giddy up run

Said I bet on Stewball cause he might win, win, win  
I bet on Stewball cause he might win  
Said I bet on Stewball cause he might win, win, win  
(I need the money)  
I bet on Stewball cause he might win

Come on Stewball, run  
Come on Stewball, run  
Come on Stewball, run  
Come on Stewball, run
